Dear Mr. Falkner,

On behalf of the Milwaukee Clement J. Zablocki VA Medical Center we would like to extend our appreciation to you for sponsoring a picnic at Lake Geneva for 31 Veterans with kayaking, Equine Therapy, fishing, golf and yard games.

Your donation is a charitable contribution and may be used as a tax deduction. This letter acknowledges both the receipt of your donation and that the VA did not provide any goods or services in consideration for your contribution.

The Clement J. Zablocki VA Medical Center greatly appreciates your interest in the well-being of our Veteran patients.

Sincerely,
